

Home Warranty Request

Welcome to the Pahlisch Homes Homeowner Care Department. Please complete the form below and e-mail, fax or mail it to our office. A customer service representative will contact you 1-2 business days from the first business day the request is received to schedule an inspection of your home. Please note that inspection visits are scheduled from 8:00 a.m. to 4:00 p.m. Our customer service representatives are happy to assist you with any questions you have regarding your Pahlisch Homes Limited Warranty at 541-385-6762 Ext 115.

Please review the Pahlisch Homes Limited Warranty and Warranty Standards to insure that you identify items that are covered under the warranty. Please be aware that some warranty issues may require more than one visit. You will be notified of any items that are considered home maintenance and are not covered under the one-year warranty.

If you have an **emergency** condition with your home that presents an **imminent danger** of harm to persons or damage to property, you should contact emergency service personnel (e.g. fire department) or the relevant utility provider (e.g. gas company, electricity company etc.) as appropriate.
